

Dear New Client,

Thank you so much for your interest in our facility! Our passion and love are for dogs and we do everything in our ability to create a loving and fun environment for all our guests! Before we are able to schedule any services, there are a few things we would like to go over! First, for the safety of our pets, we **require** a vaccine check from your veterinarian for up-to-date records on the following;

~ **Rabies**

~ **Distemper**

~ **Bordetella**

~ **Negative Fecal Flotation (Stool Sample Check)**

Second, every dog over the age of **8 months** needs to be spayed or neutered. Unless you have a note from your vet stating otherwise. Once we have all the above information we can go ahead and schedule a Meet and Greet Appointment. This is a minimum 2-hour membership evaluation that we schedule Monday-Friday at 9:00AM and 2:00PM, and Saturdays at 9:00AM. There is a one-time coat of \$30, the price may vary with more than 2 dogs per family.

During the meet and greet process, we introduce your dog to our staff, facility, and our other doggie friends. During this process, we will place them in the group setting that is best fit for their energy level and temperament! After they have completed our Meet and Greet, you will be given a folder full of great information on our services as well as how your dog did on their first day and then will be able to schedule services.

Lastly, you can email, fax, Facebook message or swing by & drop off the needed documents to schedule the Meet and Greet! Thank you so much for your inquiry, we hope to meet you and your sweet pup soon!
